

Include our Inclusions....

inclusion[®]
technologies

Let us help you design the signature stamp to your next new product!

Inclusion Technologies now has 6 different technology platforms of inclusions to choose from:

- Nadanut® Nut Extenders & Replacers
- Nadanut® Candy Coated Pralines

The logo for Bits-O-Flavor consists of the words "BITS-O-FLAVOR" in a bold, white, uppercase, sans-serif font. The text is centered within a bright pink rectangular background.

- Bits-O-Flavor® Nuggets
- Bits-O-Flavor® Flakes
- Bits-O-Flavor® Coated Sugars
- Bits-O-Flavor® Savory TVP Bits

We have many different options available to meet your specific labeling and functionality needs. With the lowest minimum order quantities (MOQ's) for customized products in the Industry and our speedy responsiveness, we are your best choice supplier for a development partner!

Put our 40 years plus of inclusion experience and our very unique product and process technologies to work for you, all in a 100% nut-free, SQF certified food facility in the heartland of America (Atchison, KS).
